

57MM EXCLUSIVE HI - POINT WINDOWS SLIDING WINDOW SUITE

SLIDING WINDOWS

Hi – Point Windows Suite

Specifically Designed for High Performance

A Sliding Window that allows levels of flexibility, and caters for those who seek slim -line and heavy duty features for their projects.

With these Sliding Windows, Hi Point Windows have integrated a custom designed Storm sill, which has a deep sill structure that blocks away any storm water that has the potential to creep inside. Due to the high performance of this sill, Hi Point Windows can offer Life Time Warranty Against Leaks*

This Sliding Window Suite is highly flexible, as it seamlessly adapts to all Hi Point Windows Suite such as the Double Hung Suites or Awning Suite, which allows for innovative design and provide exclusive configurations and design to those who seek custom made products.

Hi Point Windows don't have standard sizes, which means customers have flexibility in their sizes and design options. Hi Point Windows believe flexible is the key to achieve exclusive looks for its customers.
